

IN THE SPECIFICATION

Please replace the following paragraphs of the specification. Applicants include herewith an Attachment for Specification Amendments showing a marked up version of each replacement paragraph.

Applicants note that the Lucent trademark on page 9, paragraph 31 was erroneously indicated in the original application. Applicants have amended the specification to remove these words. No new matter has been added.

Page 9, Paragraph [0031]:

[0031] The connection unit 10 may alternatively be made a part of a “router”, such as those made by Lucent Technologies, Inc.
